### Nostalgic Culinary Mile on 1 September 2019, Saas-Fee

The Nostalgic Culinary Mile turns back the clock. Along the village street, our 'antique' hoteliers and hosts offer special dishes from bygone days. Slip on grandma's dress or grandpa's suit, and you can be part of the culinary mile too.

### Mattmark Memorial Half-Marathon 14 September 2019, Saas Valley

This half-marathon commemorates the disaster that occurred during construction of the Mattmark dam in 1965. The route goes from Saas-Balen through larch forests to Saas-Grund and Saas-Almagell, passing the highest natural dam in Europe. Then there is a final, flat circuit around the picturesque Mattmark reservoir.
