€ (Euro) depending on the current rate!

If you stay longer than 24 hours in Saas-Fee, you will get a reduction on your parking fee. Therefore, please notice the following points:

At the first day ask your landlord/hotel for the Citizens Passport

When you pay your parking fees with a valid Citizens Passport at the ticket machine, you will enjoy a parking reduction. The parking fees must be paid for each exit.

Entrance and exit during your stay

At the gate you will always get the same ticket back. When you return, put your ticket in the automatic machine and wait until it comes out again. So please, keep your ticket until the end of your holiday.

Pre-payment

A pre-payment of the parking fee is only possible at the park administration in terminal A.

For some more information please contact the tourist office!
