ANNOUNCEMENT

Dear Visitors,

Saas-Fee/Saastal Tourism carries out regular checks on the use of holiday apartments in the area administered by the communities of the Saas valley. We kindly ask you to provide our inspectors with the information they require.

This information is needed to compile various statistics. It also ensures that the visitors' tax payments which you, the visitor, make to the owner of your apartment are passed on to Saas-Fee/Saastal Tourism correctly. The money received is used exclusively for the purposes of tourism in the Saas Valley. We thank you for your help and cooperation and apologise for any inconvenience.

We hope you enjoy the rest of your holiday and find plenty of rest and relaxation in the Saas Valley.
